

1 inquiry. If by that you meant you want the same assurances  
2 that the recommendation of the Committee on General Provi-  
3 sions as to public school system as well as to the Univer-  
4 sity of Maryland would be granted, that of course, would  
5 be intended.

6 I do not limit my reply to Delegate Case to the  
7 University of Maryland. I said educational institutions.  
8 Does that answer your inquiry?

9 THE CHAIRMAN: Delegate Pullen.

10 DELEGATE PULLEN: Yes. Thank you.

11 THE CHAIRMAN: Delegate Kirkland.

12 DELEGATE KIRKLAND: I have a resolution which I  
13 would like to present to this body sometime before they  
14 leave. It is of a great deal of interest to quite a few  
15 of us in the free State of Maryland and I think it is  
16 probably most appropriate sometime before we leave today.  
17 When can this resolution be presented?

18 THE CHAIRMAN: Very well, if the Clerk will ring  
19 the quorum bell -- wait a minute. We can't at this moment.  
20 You want to present it to the Convention I assume.

21 Delegate Kirkland.
